for I put my trust in you.
- ⁵ You, Lord, are forgiving and good,
abounding in love to all who call to you.
- ⁶ Hear my prayer, Lord;
listen to my cry for mercy.
- ⁷ When I am in distress, I call to you,
because you answer me.

no deeds can compare with yours.

UCA Anniversary - *Bronte Wilson* Moderator

As we approach the 43rd anniversary of the inauguration of the Uniting Church in Australia, my thoughts go back to that time in 1977 when the Methodist, Congregational and Presbyterian denominations came together to form the Uniting Church in Australia.

We had a long legacy and many traditions behind us, and we were also prepared to be our own church, with our own mission and priorities. Many individuals worked tirelessly to prepare the Basis of Union, our founding document that sets out the important ways we are to be the Uniting Church.

Today, during a pandemic, we care for the vulnerable and needy, we support the Black Lives Matter campaign, we reach out with compassion and comfort to all humanity. The Uniting Church is not closed; we are fulfilling our calling in these different circumstances we are still that pilgrim people on a journey toward the promised goal as described in the Basis of Union. As we remember our history may we look to the future, carrying out God's calling to each of us.

Notes from the Treasurer

- Over the last few months our church has had virtually no income, apart from 'e-give' and a few of us who have made bank deposits or conveyed their cash and envelopes directly to me. This income has been very gratefully received and I sincerely thank you all.
- Our other sources of income have also been severely diminished. Our Tenants are only just resuming their businesses and our long term 'Manse Investment Fund' (Share Market) has been severely devalued. I have provided the details to Church Council.
- We are very grateful to UCA who secured the 'Jobkeeper' Allowance to subsidize Gary's Stipend to keep us 'afloat' until June 30th. This Allowance is currently under review by the Federal Government and may be extended to September 30th.
- We have been in communication with Tarcisius in Bangladesh and he greatly appreciates our support of the children and has indicated that they may be able to use further financial support in August.
- May I encourage our Congregation to bring along your Offerings as cash and envelopes, that you have been accumulating at home, at the earliest opportunity please, to

help maintain our finances as we resume our lives together.

Our 'COVID Cocoon' Project

In the weeks following Easter, some of us at Seacliff Uniting thought that the metaphor of 'metamorphosis' with the caterpillar, cocoon and butterfly might be helpful as we struggle to emerge from the 'COVID Cocoon' in which we have now lived for several months.

Arising from this, several people in the congregation have felt drawn to produce a series of Media Resources. These consist of short (5-10 minute) **Videos** containing a particular perspective and questions for individual reflection or small group discussion, together with accompanying **Scripts** (i.e. written materials). We will publish 3 Videos and Scripts initially, with others added progressively in the weeks ahead, towards the end of June.

Our purpose is to produce Resources that will inspire reflection, discussion and new hope and vision as we resume our lives as the Uniting Church in Australia. Seacliff UC will offer these Resources to all, trusting they will be helpful not only to our congregation, but also to other UCA congregations and the wider Christian community.

The materials are free to download and use from <http://SeacliffUC.net/COVIDCocoon> (the initial files will be uploaded asap and by Sunday 21/6 at the latest)
